GOZO REAL ESTATE

Description

An extremely well-finished penthouse with two bedrooms, one with en-suite shower and a separate bathroom.

The Airspace is included and can either be turned into a roof-level terrace or another floor can be built to make either a duplex, or an Apartment and separate Penthouse of the same size, making this excellent value for money.

The open-plan living area opens onto a terrace (~18 sqm) with space for BBQ and dining table and there is another small terrace (~4 sqm) adjoining the master bedroom. The fitted kitchen has been hand-made with American walnut units and there is a separate utility room.

Kitchen appliances include an American style fridge, built in oven and microwave and hob and extractor, plus a sink macerator.
