Maisonette

Plot

240 m²

Status

Resale

This spacious, bright and very well finished Maisonette apartment has arguably one of the best sea views in the complex. A large terrace on two sides offers plenty of space for entertainment and outdoor living.

Indoors there is a large living and dining room with doors and windows opening on three sides making it very bright and light. This leads to an open fully fitted kitchen with an island and breakfast bar.

At the rear are two bedrooms, one en-suite and a spacious family
