GHS1022 Rural farmhouse with privacy and country views

 Ghasri, Gozo

Bedrooms

 4

Bathrooms

 3

Type

Farmhouse

Status

Resale

This semi-detached converted farmhouse nestles on the side of a green valley, surrounded by fields and the farming community, and enjoys sweeping countryside views.

The front door opens directly onto a pretty courtyard. A special feature is a cave set into the hillside under the ground floor which can be reached by steps from the courtyard. A stone table and seats have been arranged.
