GOZO REAL ESTATE

Description

€4,250,000

This spacious detached country residence is located in the country side and enjoys total privacy and all round views of the Gozitan country side and the sea.

The property, which is located on an elevated area, is accessed via a security gate opening onto a large courtyard area with space for up to 8 cars. Up a few steps the entrance opens onto a very large entrance hall with a main staircase leading to upstairs. Doors lead to a very large living room opening directly onto the expansive pool area. to the left there is a kitchen and dining area, also opening onto the pool terrace. At this level there is also a downstairs bedroom which opens up to the pool area.

Upstairs there are 3 large bedrooms, all with fireplaces and ensuite bathrooms. The rear two bedrooms open onto a very large open terrace enjoying open sweeping views across the garden and to the sea.
