Full of traditional features this charming fully renovated farmhouse dates back more than three hundred years. Constructed from Maltese limestone it is located on the outskirts of the tranquil village of Għarb, one of the oldest villages on Gozo, and tucked away in a quiet alley within the UCA (Urban Conservation Area) and having a courtyard, garden and pool – occupying approximately 500 sqm of land.

The property offers around 310 sqm of internal living space spread over two floors. From the large welcoming entrance hallway there is
