A delightful and unique traditional farmhouse tucked away in a quiet alley in Gharb, one of Gozo's most sought-after villages. Full of authentic character and charm, including stone arches, shorok and kileb stone ceilings, and mangers, the property offers complete privacy, flexible accommodation, several traditional wells with stone well heads, multiple terraces at different levels, and ample space to install a swimming pool, if desired. This property was fully renovated in 2017.
