Description

A lovely authentic farmhouse close to the centre of the village which has been modernised sympathetically and tastefully to very high standards throughout.

The front door opens into a vaulted hall leading into a large courtyard where an arched doorway opens into an original spacious mill room complete with mangers and troughs.

Beyond this is a kitchen and dining room with a door to the courtyard and another taking you to the swimming pool and outside dining area past a utility room and downstairs toilet.

On the left as you enter the property is an adjoining garage with room for one car and work bench. Opposite is a shower room and the first of four double bedrooms lies between the mill room and the garage.
