GOZO REAL ESTATE

Description

€650,000

This exquisitely maintained and presented house enjoys views across the entire island of Gozo. Built over three floors it benefits from the use of a 65sqm communal pool and a garden, which also enjoys the same wide sweeping views.

The private entrance is straight into a welcoming small courtyard. On stepping inside one can immediately see the views through the large double sliding doors. To the right there is a guest toilet, separate kitchen and a small under-stairs store room. On this level there is a spacious dining area leading to the main living room which then opens onto a large 15sqm terrace with ample space for lounging and alfresco dining, or sipping evening cocktails as the sun sets and the island view lights up.

A fantastic space to watch the various summer firework displays in many villages including Sannat, Xewkija, Xaghra, Kercem, Fontana and Victoria.
