GOZO REAL ESTATE

Description

One enters this rustic farmhouse directly into a spacious open plan living and dining area which overlooks the pool and also leads to a kitchen built with traditional arches. On this floor there is also a ground floor bedroom and adjacent family bathroom. The large pool area and garden wrap round one side of the house with plenty of entertainment space.

Internal stairs lead to a further two bedrooms and a second family bathroom. These open to a spacious terrace overlooking the countryside, with excellent cliff walks a few minutes away.

Located in a quiet location on the edge of the village, overlooking fields and the distant sea, this rustic farmhouse would make an excellent full time home or holiday property.
