

SLZ1019 - A spacious and welcoming 1700's farmhouse with abundant character

San Lawrenz, Gozo

We are pleased to offer this lovely old farmhouse, dating back to the 1770's. Typical of farmhouses in Gozo, one first enters into a pretty traditional courtyard with an external staircase and a traditional well. Off this courtyard are entrances to the three main living rooms of the house at this level.

To the right is a very spacious and impressive traditional mill-room with arches spanning down to ground, currently used as a living room. This room opens out onto a private lower garden used for alfresco dining.
