GOZO REAL ESTATE

Description

We are pleased to offer this lovely first floor apartment with both front and back open but covered sitting areas.

One enters a spacious open plan combined living dining room and kitchen area. This leads onto three double bedrooms (one currently used as a single), two of which are en-suite, and a spacious family bathroom.

Halfway through the property there is a bright snug sitting area which breaks up the corridor as well as providing a lot of light in the centre of the apartment.

The master bedroom is large and bright and opens onto the rear balcony which looks onto neighbouring gardens.

The property is offered unfurnished but includes all appliances. Other items may be optionally available by separate negotiation. It also includes

TYPE	Apartment
BEDROOMS	3
BATHROOMS	3
STATUS	Resale
YEAR OF CONSTRUCTION	2009
