GOZO REAL ESTATE

Description

€4,750,000

Perched majestically on a cliff edge in an unparalleled location, this fully detached villa offers an extraordinary living experience with near 360-degree views of the surrounding landscape, culminating in a breathtaking panorama overlooking Ramla Bay, Malta's largest and most unspoiled beach. This pristine stretch of coastline has recently become a sanctuary for nesting turtles, adding a touch of ecological marvel to the already stunning vista.

Nestled within extensive grounds spanning approximately 4000 square meters, this residence exudes grandeur and exclusivity at every turn. The property boasts five bedrooms, each complete with its own ensuite bathroom, spread across two floors, ensuring ample space and privacy for discerning occupants.

The villa's grounds seamlessly integrate with the natural terrain, offering terraces at various levels and numerous garden spaces, ideal for hosting large-scale events or simply unwinding amidst the tranquility of the surroundings. A highlight of the outdoor oasis is the expansive swimming
