THIS PROPERTY IS SOLD! Behind the door lies a delightful surprise ! As is typical of many houses on Malta you are not prepared for the magnificence of the property behind the simple facade. Dating back to the early 18th century this fabulous home, once used as a hunting lodge by the Knights of Malta, is surrounded by lush mature gardens with a 24 metre pool which has been cleverly designed to mirror the long arched living and dining room. There is a separate fully fitted kitchen with the original bread oven leading to a small dining room and a loggia alongside the courtyard takes you past the laundry room and
