The property has been modernised without taking away any of the desirable character features and layout.

the covered entrance hall opens simultaneously to the living room, the original stone staircase and also directly into the central sun-bathed courtyard and garden. By the staircase there is a guest toilet.

The living room is spacious and has high ceiling and benefits from a ceiling fan and a wood burning stove. An archway leads into the dining room, which also opens out to the courtyard. A very thick archway opens out onto the modern large oak-fitted kitchen with quartz tops.
